# Why Become A Member?

The Environment Centre is an independent Charity and funding is often short term and difficult to obtain, therefore a regular income from the membership scheme is a lifeline for the Centre.

## **With your membership fee you will be directly supporting:**

- Environmental education for all ages
- Provision of information on the environment and sustainability
- Partnership working with local authorities and businesses to influence decisions and policies
- Environmental events, training and activities for schools, community groups and the general public
- Demonstration of renewable technologies, eco-building and best practice for a green office
- Providing a hub for environmental groups
- Providing a focus and meeting space for the local community

Also as a group member you'll be able to hire our low cost meeting rooms, have access to the colour photocopier, receive EC News e-mail updates, and receive invites to special events including our annual AGM.

**Please return your completed membership form to:**  
**The Environment Centre, Pier Street, Swansea, SA1 1RY**
